

The Askefield Project is a not-for-profit company limited by guarantee and is a registered Care Farm with Social Farms and Gardens (a merger of Care Farming UK and City Farms and Gardens) based in Friskney, near Boston, Lincolnshire, that provides support and opportunities for the community.

Our Aim

The Askefield Project Ltd believes that every individual, regardless of their age or circumstance, can achieve their full potential when offered a safe, supportive, enabling and non-judgemental environment where they feel they belong.

Our Mission

The Askefield Project Ltd provides rewarding and meaningful opportunities to enhance the community's wellbeing, by working in harmony with others within the natural environment of a care farm, and thereby to **grow through experience** at the individual's own pace.

The Askefield Project Ltd achieves its aims by promoting the development of individuals' skills and confidence in a working farm environment. We encourage engagement with the community to promote social-cohesion and belonging.

Our Vision

To provide an all year-round, all-weather facility where members of the community can meet, learn, thrive and **grow through experience**.
